Shradha Thithis

Shradha Thithis indicated are as per calculations to suit customs of everybody.

General rule for madhwas is Perform Ekadashi / Dwadashi shradha on Dwadashi observance day. Shradha Thithis on Athiriktha Ekadashi and Shravana Dwadashi days have to be performed on the Parane (next) day.

Sometimes Ekadashi shradha thithi occurs on a Viddha / Dashami day, Dwadashi shradha thithi on Ekadashi observance day. In both the cases, performing Shradha on the Dwadashi parane day is the general rule.

One school of thought is that Ekadashi shradha can be performed on Dashami day if the shradha thithi is Ekadashi. Some mutts do not agree with this contention. Concerned persons may ascertain the date from their mutts/purohit.

Adhika Ashada Masa - special for Jagannatha Puri (Odisha state)

In Puri temple, idols of lords Jagannatha, Balabhadra and Subhadra are made of wood and are huge in size. Abhisheka is not performed daily.

On Jyeshtha Pournami day, under the name Snana Yatra, Abhisheka is performed using 108 pots of water. Thereafter, Gods are said to be not well and devotees cannot have darshan for 15 days. Only roots and berries are offered as naivedya.

These idols are taken out during Ratha Yatra (Ashada Shukla Dwitheeya). (No separate Utasava Murthys). Ratha returns after a week. New chariots are prepared every year (preparations start from Akshaya Thrutheeya day). The big chariot has a base of 45 feet by 45 feet and height of 60 feet.

The idols are changed during every Adhika Ashada masa. New idols are made out of specially selected Neem trees. These trees should have no bird nests and bear marks of Shankha and Chakra on them.

The location of the trees is indicated in a dream to the chief priest.

Adhika Masa - Shradha Vichara

Annual shraddha due in Ashada Masa, has to be performed during Nija Ashada masa only. A sankalpa shraddha is to be performed during Adhika masa.

However, if the person has passed away during Adhika Ashada masa, the annual shraddha is during Adhika Ashada only.

In case of persons passed away during the immediate previous year:

1. Ashada masa, first annual shraddha is during Adhika Ashada masa itself.
2. After Ashada, the monthly (masika) shraddha has to be performed both in Adhika and Nija Ashada masas.

Darsha shraddha has to be performed in both Adhika and Nija masas.

Blessings (Ashirvada)
Putting Mantrakshate (sacred coloured rice) on the head as Ashirvada (blessings) is a common practice. However, right to put mantrakshate on the head of a woman is the sole right of her husband. Therefore, mantrakshate is given to a lady on her hand (or she collects in her saree hold) only.

Salt, Ghee and Cooked Rice

Lakshmi's presence (sannidhana) is there in Salt, Ghee and Cooked Rice. Therefore, these items should not be wasted on the eating plate. Cooked rice mixed with salt and ghee is normally given to children. Ayurveda says this preparation as a first course in meals is good for all ages. These items should not be served by bare hand and should not be served by left hand (including self service). Spoon or laddle has to be used.

Guru Astha from August 14 to September 7 - In this period, Rugvedis do not have muhurthas.

(#) Douhitra Pratipath - Matamaha Shraddha
Grandson(s) through the daughter's lineage have to perform shraddha to their grandparents on this day (Douhitra Pratipath). Persons with living parents only have to perform this shraddha. This is a duty (kardhavya) like sandhyavandana. (Persons who have lost their father takes care of this in Paksha masa karya.)

Ganga river is sacred

At the time of dana to Lord Vamana by Bali Chakravarthy, Lord Vamana measured the sky with his foot. During the process of measuring, the shell of the Brahmada cracked and the water outside the shell seeped in over the feet of Vamana. This water, the padodaka (water used to wash the feet) of Lord Vishnu was collected by Lord Brahma in his kamandala. Excess water in the kamandala is flowing on Earth as river Ganga. In view of the force of water while coming down to earth, the water came down on the head of Lord Eashwara. Thus the river Ganga is touched by Lords Vishnu, Brahma and Maheshwara. Therefore the river Ganga is sacred.

Makara masa and Uttharayana starts on January 15. Auspicious period starts for all functions.

Anadhyayana

Amapoorne gururhanthi | Shishyamhanthi Chathurdashi | Ashtami ubhayorhanthi | Prathipath Patanashanam ||
If Adhyayana (studies) are conducted on Amavasya and Pournima days Guru (Teacher) will perish (equal to dying), On Chathurdashi day Shishya (Student) will perish, On Ashtami day both will perish, On Prathama day the subject studied will be a waste. Therefore Prathama, Ashtami, Chathudashi, Pournima and Amavasya are Anadhyayana (Studies are not to be conducted) days.
